

PREVENTIVE HEALTH INCENTIVE

Avalon Flooring is excited to reward employees and their spouses enrolled in our medical plan for taking proactive steps toward better health. We're expanding our preventive screenings program! By prioritizing your health, you invest in yourself and earn a valuable reward.

Your well-being is our priority!

You can earn an \$80 taxable bonus for completing one preventive exam or screening once during the plan year beginning June 1 and ending May 31.

If you cover a spouse on your plan, they are also eligible to earn the reward.
