

PREVENTIVE HEALTH INCENTIVE

Avalon is now offering members enrolled in either of the medical plans a reward for taking preventive steps to stay healthy!

You can earn a \$80 taxable bonus for completing a preventive exam with a Primary Care Physician during the plan year.

If you cover a spouse on your plan, they are also eligible to earn the reward.

All you need to do is submit your Explanation of Benefits (EOB) to your Benefit Guardian upon completing your preventive exam.
