How does Quantum Health Solutions assist?

Everyone encounters problems from time to time. Sometimes we can solve them alone, other times we need help. We tend to be blind to the problems we have making it difficult to know when we need help. Quantum's charter is provide the right kind of guidance to sort through and solve behavioral health related problems. Your employer has contracted with Quantum for Employee Assistance services and Managed Behavioral Health insurance services.

Behavioral Health Benefits Overview

Quantum EAP offers employees and eligible family members information, education, problem assessment, short-term counseling , personalized referral and follow-up services at no cost. This service is available to all employees, including those not enrolled in the medical plan.

For those employees and eligible family members covered under the company insurance plan, Quantum provides **Managed Behavioral** insurance services. Quantum manages your behavioral **Outpatient benefits, Intensive Out Patient benefits, Partial Hospitalization and Inpatient benefits**. As a covered member you have access care through Quantum's network providers for assistance with mental health or substance abuse. If you are looking for services or currently in treatment with a provider please contact Quantum for authorization. Quantum also provides claims processing. Out-of-network claims are reimbursed only if the service is pre-certified or approved by Quantum. If you are currently in treatment with a provider, please contact Quantum for authorization and transition of claims processing. Our responsibilities to manage your plan include:

- Client service and support
- Utilization review and clinical management
- Network availability and flexibility
- Clinical and administrative quality assurance
- Claims processing
